

Landscaping Timbers BOLLARDS

M&M Timber is the UK's leading manufacturer of machine rounded timber products and a key supplier to the agricultural, utility, commercial, landscaping and play sectors.

For more than 40 years, M&M Timber have processed timber at the 25 acre saw mill at Clows Top, near Kidderminster in Worcestershire. Timbers used are carefully selected from certified, well managed forests.

Bollards

The M&M Timber range of bollards are a premium choice for creating secure, tactile and durable boundary markers.

Bollards are manufactured solely from Radiata Pine which is renowned for its low splitting properties, resulting in a superior finish. All Bollards are kiln dried and sanded prior to pressure treatment and are backed up with a 15 Year Service Life Warranty.

Timber Bollards are supplied in a variety of lengths up to 3600mm.
